Created: 06-21-10

Be assured that the health of Brady is our highest concern and we will do everything possible to maintain that health. Understand, too, that your signature below indicates that you have reviewed and agree to the terms of this estimate. Your signature below does not make you responsible for the charges listed above unless performed upon Brady. ***I consent and authorize Animal Care Clinic of Holland Road to exceed the above amount should the doctor determine additional treatment is necessary.***

I accept and agree to the terms of this estimate:

**Pet Microchip Identification System.** While your pet is under anesthesia, we can microchip your pet for permanent identification. Every year more than 20 million dogs and cats are put to sleep because humane shelters cannot identify them or find their owner. A microchip is an unmistakable sign that your pet is not only loved, but very much wanted! The additional cost for microchipping your pet during and already scheduled procedure is \$10 off the normal price.
